Notices for week w/c 14th April 2024

Sunday's service

Brenda Cannon will be leading our worship at 10.30am on Sunday. If you receive these Notices by email, then her Order of Service is attached.

He Lives!!!

During the Holy Week, Jesus anticipates his own death and uses the metaphor of a seed to suggest that death is far from the end. It wouldn't be long until his first followers realised what that would look like. So on Good Friday in church we did an activity of making paper pot plants and planted grass seeds to illustrate that life comes from death (a dead seed) under Paul's leadership. I'm pleased to share the grown grass from the seeds of mine and Kabelo's pot plants. In His death, there is life. He lives!!!
