Church Maintenance Day: 3rd August

As we've done in the past, we use this quieter time of the year to carry out certain maintenance jobs around the premises, jobs that need to be done in order to keep the place looking nice and in good repair. Major jobs we contract out as the need arises but the smaller jobs, such as cleaning the church, touching up the paintwork here and there, dusting the acoustic boards in the Hall, are well within our own capabilities as well as helping to keep down costs. So we are calling for volunteers to come and lend a hand on **Saturday 3rd August** to help carry out the jobs on a list that Colin is preparing. Come for an

hour, a half day, or if you can manage it the whole day. The more the merrier. We look forward to seeing you there and don't forget to bring a packed lunch; drinks will be provided.

Sunday Rota

Thank you to all who provide us with refreshments on a Sunday morning. The three empty refreshment slots have now been filled so thank you to those who have done so.

Bible Month

During the month of August, our preachers will be using the book of Genesis as the basis for their services. To this end we have acquired copies of Bible notes around the same theme. So please pick a copy up from church before you leave today and have a look at what is to come next month.
