## Notices for week commencing 21<sup>st</sup> July 2024

### Sunday's service

We welcome back Deacon Dawn to lead our worship on Sunday. If you receive these Notices via email then Dawn's Order of Service is attached

### Prayer Book

Please be encouraged to use the Prayer Book on the lectern in the car park vestibule. Enter prayers for loved ones, those who are ill and for any issue that you feel needs everyone's prayer. It will be brought forward each Sunday so that the preacher can include the written prayers in the intercessions.

### Sunday Rota

Thank you to all who provide us with refreshments on a Sunday morning. There are still three empty slots on the rota including this Sunday. So, if anyone can fill those gaps we will all be grateful to you for our cuppa after the service.

### Bible Month

During the month of August, our preachers will be using the book of Genesis as the basis for their services. To this end we have acquired copies of Bible notes around the same theme. So please pick

a copy up from the front of the church before you leave today and have a look at what is to come next month.

### Community Garden - Resurfacing

- ✓ The new surface that has been laid in the Community Garden is called Gummibond. It is made from shredded rubber tyres, is low maintenance and carries a 5-year use warranty
- ✓ It gives a second life for problematic, used, solid rubber tyres that would otherwise go to landfill. Car tyres are not used as there are many other uses for these, and the solid ones are cheap to process so they are not a recycling problem.
- ✓ It overlays onto all types of existing surfaces so we did not have to remove and dispose of the existing paving slabs
- ✓ its surface is porous so does not interfere with water tables
- ✓ it has been toy safety certified
